Harvested grain to be delivered in to the members allocated tonnage by 31st October 2016

Charge 1 £2.50/ t will be raised in **May** on the members storage entitlement. If an over amount is delivered to make up the members entitled nett weight then £2.50 will be levied on this over amount when known.

Charge 2 £7.00/t will be raised at the **month end of intake** together with the drying charges.

Charge 3 £1.50/t * This amount is variable depending on total store costs and will be invoiced when known in **January** on the members nett delivered weight.

Haulage

There will be no separate charge for haulage, instead it is incorporated within the total annual charge, based on collections from **within 70 miles of the store**.

Grain will be collected from beyond this radius only by prior agreement of terms and charges.

Those members that still elect to use their own tractors and trailers will be given a £1/t rebate.

Drying Charge

To be paid on actual delivered tonnage in increments of 0.1% moisture content.

Grain with a moisture content in excess of 20% and oilseed in excess of 16.0% will be accepted by PRIOR AGREEMENT ONLY

The following items are covered by these charges:

Sampling & Laboratory Analysis

Weighbridge Charges

Haulage

Cleaning

Handling in and out of store

Stock Administration

Insurance

Storage as required up to **31st May 2017**
